Inland Empire ITS Architecture Project  
Workshop #2  
March 4, 2003 1:30 pm – 3:30 pm

**Workshop Location:**

655 West 2nd Street, room 237  
San Bernardino, CA 92401

The old Mervyns store on 2nd Street, across from the Carousel Mall. There are no obvious markings on the building that indicate it is a Caltrans facility.

Look for the orange (Caltrans) trucks and portable message signs (among other things) in the parking lot.
